Dear Dr. Howard:

The Soroptimist Club of Miracle Mile is very proud that you have accepted its invitation to become an Honorary Member. The members of the group hope you will be able to come to our luncheons so that we might become well acquainted with you and the interesting work you are doing.

The Club meets at Dublin's Restaurant, 6220 W. 3rd Street, each Tuesday. Luncheon is at 12:00 noon and costs $2.50. Perhaps you could make a special effort to come to our Thanksgiving Luncheon party on November 21st. You will be receiving the Soropti-Mirror which is the club bulletin and information on our meetings is explained in it.

If you are able to attend on the 21st or any following meeting, would you please call me so that I might make a reservation for you. My office telephone number is WEbster 1-1911.

Cordially,

Group Life Conversion

Dear Mrs. Wylde:

Thank you for sending your Group Life Conversion application and your check of $54.98.

When computing life premiums, we use the applicant's age nearest his effective date, which in your case is November 2, 1961. Since this would make you 61 years of age, your correct annual premium of $57.30. You have paid $54.98, therefore, there is a balance due of $2.32 on your initial premium.

Please send this balance due as soon as possible, so that we can finish processing your application.

Sincerely

Rosemary Littleworth

Dear Doctor Howard:

The Miracle Mile Soroptimists wish to extend a cordial invitation to you to become an Honorary Member. Such membership may be granted to "any woman who has distinguished herself by unusual service to the community". We feel that your devotion to study and research on the collection of Ice Age fossils from the La Brea Tar Pits of Hancock Park merits this recognition.

Honorary membership carries no obligation to attend meetings, pay dues or assume any responsibilities. We do hope, however, that you will find it possible occasionally to join us at our weekly meetings.

We shall be proud, indeed, to add your name to our roster of members.

Very truly yours,

Jane Schramm

Dear Dee,

Congratulations upon the new honorary member, who sounds very deserving.

We wish some of us could be with you next Tuesday to meet Doctor Howard, but it is quite a distance from Banning Los Angeles, and everyone seems to be busy, — too busy to accept your invitation.

Thank you, — and keep up the good work!
